Dear Mountain Top Accounting Clients,

I wanted to introduce myself to you after having purchased Mountain Top Accounting, LLC from Mark Huber on July 9th of this year. My name is Julie M. Speer and I have been a CPA since January of 2000 and I have spent the past 21 years working in various industries. I met Mr. Huber after having arrived in Cloudcroft, NM in early spring 2021. My husband and I purchased the RV campground in Mayhill called The Camp @ Cloudcroft and as we were establishing our business and meeting the people in the community, we heard that Mr. Huber was retiring. The timing was perfect as I was ready to open my own accounting business and we were ready to make plans to move out to Cloudcroft/Mayhill area from our current home in Norman, Oklahoma.

A little background information on my experience begins in public accounting at Grant Thornton doing taxes for various types of entities. After two tax seasons I moved into industry working at Hal Smith Restaurant Group preparing financials for restaurants like fine upscale dining of Mahogany Prime Steakhouse, to Toby Keith's I Love this Bar & Grill and even for Krispy Kreme Doughnuts franchises. In 2006 I entered into the exciting field of oil & gas working for a local producer and operator where I produced financials on over 200 oil and gas wells. After 12 years specializing in oil and gas I decided to give real estate a try and found a job as a Controller for Northstar Properties managing 16 apartment complexes financials. More recently I went back into public accounting preparing business valuations for companies that are selling or liquidating.

I will be providing the same tax and payroll services that Mr. Huber provided, however I'm also offering monthly bookkeeping services using Quickbooks Online. If you are ready to take the daily accounting tasks off your to do list for your business or know someone who would be interested, please give me a call.

I'm excited to meet you and get to know you! If you would like to set up a time to meet in person or over the phone, please contact me via email or phone below. I look forward to working with you!

Thank you,
